

# Haiku Corrections for Parents

Dear Parents/Guardians,

Earlier this week you received a letter from me containing detailed instructions on how to log on to our District's new Haiku Learning Management System (LMS), the website that each teacher in our school district now uses to post information and resources pertaining to each of their classes. It has come to our attention that I made two mistakes in the instructions. First, the log in address was incomplete.

**First time users type the URL below into your browser's address bar:**

<https://sthelena.haikulearning.com/do/register/parent>

**If you already have an account, please type the URL below into your browser's address bar:**

<https://sthelena.haikulearning.com>

Additionally, the student Google log in code on the label is incorrect and should not be used. The label also contained a parent invitation code, which is correct, and is the code you should use to register yourself as a parent for your child.

Student: John Zebra  
Google Login= jz2435  
Invitation Code = FYT7-BH5S

Incorrect Code

Sample Label

Correct Code for Parent

To add another student or students to your parent account, you will need to use an **additional 8-digit code specific to your other child or children**. This additional code(s) can be provided at any of the four school sites from the front office.

Please feel free to call me at 707-967-2832 or email me at [mallen@sthelenaunified.org](mailto:mallen@sthelenaunified.org) and I will assist you through this process.
